krainey@dacband.org

Dear Band Parents:

We are taking another step in our new band program – we are getting official band shirts! Many design ideas were turned in and all the kids voted on the design of their choice. The winning design came from Christine Carmel - congrats Christine! As the shirts will now be a part of our official band uniform, *all students will be required to purchase a shirt*. They are baseball jerseys with three quarter length sleeves and the cost is \$10. I already have all the shirt sizes for the kids from the forms turned in at the beginning of the year. Money for the shirts will be due by January 31st for Chesterton students and February 2nd for Michigan City students.

I am very excited to offer some other band items for your consideration. Available to students (and parents too!) will be band jackets and band hoodies. The jacket is black satin and is in the style of a baseball jacket - it is available with either a quilted or a light lining. The cost of jacket with light lining is \$25.00 and the cost of a jacket with quilted lining is \$30.00. If you would like your child's name on the jacket please add an additional \$6.00 to the cost. Band hoodies are pullovers and are gray in color. The price for hoodies is \$17.00 for youth sizes and \$20.00 for adult sizes. If you would like to have a name put on the back of the hoodie please add \$5.00 to the cost.

We will have sample jackets of different sizes and linings for students to try on for sizing if they wish. These jackets will not have our logo on them but will be available so that students and parents can see what size they might want. Students will be able to try on jackets at rehearsal on Tuesday January 31st for the Chesterton area and Thursday February 2nd for the Michigan City area. If at all possible, please try to be there to assist with your child so that they will have the size and style of jacket you would like. **PARENT HELP IS NEEDED DURING REHEARSAL ON THESE DATES.** One or two volunteers will be needed to help with any sizing and to take any jacket or hoodie orders. If you can help out on Tuesday January 31st (Chesterton) or Thursday February 2nd (Michigan City) during your child's rehearsal time please let me know.

I am looking forward to seeing our band members in their new shirts. Please remember all students need to have a shirt but the purchase of a jackets or hoodies is optional. Payment for the jackets and hoodies must be made before we put in an order. **PAYMENT MUST BE RECEIVED BY JANUARY 31ST (CHESTERTON) AND FEBRUARY 2ND (MICHIGAN CITY)** Below is the order form for the band jackets and hoodies – please turn in the \$10 for the shirt separately. If you have any questions or concerns please contact me at krainey@dacband.org. You can also call me at (219)921-0668 (219)921-5809. As always, thank you for all your help and support.
